

28TH
LEGISLATIVE
COMMUNITY
DEVELOPMENT
CORPORATION

This event will provide participants with heart-healthy refreshments as well as useful health information. The following screenings and services will be provided **FREE OF CHARGE**:

Fourth Annual Hamilton County

MINORITY HEALTH FAIR

Kappa Alpha Psi Fraternity, Inc., Omega Psi phi Fraternity, Inc., and Delta Sigma Theta Sorority, Inc., in collaboration with the 28th Legislative Community Development Corporation, have partnered to sponsor the fourth annual Hamilton County Minority Health Fair, "Empowering and Educating Minorities to Close the Health Gap."

Did you know...

According to health data published by the Department of Health and Human Services, **African-Americans are:**

- **30% more likely to die of cancer than White Americans**
- **30% more likely to die of heart disease than White Americans**
- **40% more likely to die of strokes than White Americans**
- **twice as likely to die of diabetes than White Americans.**

These statistics can drastically improve with careful screening and education on preventative health care issues in minority and low-income communities. Make plans to attend.
