

UNBOUGHT AND UNBOSSSED

Girls Celebrating Women's Achievements in Chattanooga

NOMINATIONS SOUGHT

Girls Incorporated of Chattanooga is proud to honor women in Chattanooga who have made significant contributions to the advancement of women in our community at their fourth annual *UnBought and UnBossed* awards program. This event is planned for Wednesday April 23, 2008. Nominations are now being accepted for these prestigious awards.

UnBought and UnBossed is a tribute to the spirit and determination of Shirley Chisholm, the first African American woman to run for president of the United States. Chisholm declared herself to be a representative of all people and made a commitment to serve as a leader who would remain "unbought and unbossed." Chattanooga is rich in history, and honoring women in our city is part of that.. Honoring Chattanooga's influential women at *UnBought and UnBossed* is our way of celebrating the powerful impact they have had in our community.

The *UnBought and UnBossed* honorees are selected and then honored by teen girls who participate in Girls Incorporated's activities. The girls work with these women in our community whom they consider role models to prepare presentations on the accomplishments of these honorees.

At the *UnBought and UnBossed* breakfast ceremony, the girls will illustrate the link between past, present and future generations of female leadership by honoring their role models with awards and recognition.
